Russell plans summertime festival

That sage philosopher Casey Stengel once said: "Things ain't as good as they was in the old days. In fact, they never was." Well, the Russell Recreation Association is out to prove Casey wrong.

The RA is planning and helping to organize a day of summer fun for the whole family — like it was in the old days. The objective of the day is to involve as many Russellers and others as possible

in fun activities and to help raise much needed funds for recreation in Russell.

The day will be Saturday, August 28th and the weather will be just great. Starting off the day's activities will be a 10 km road race around and through the village, with a 5 km route for runners 12 years old or younger and for anyone else who feels that 10 km is just a mite long. The exact route, starting time, entry fees and other important details will appear in next month's Review.

Then, to take care of all those appetites whetted by running or even watching the run, a pancake brunch will be served. Mmmm! Love those carbohydrates!

But wait! There's more! Throughout the day will be tournaments of several varieties: horseshoes, darts, pinball and family lob ball. With prizes too! Also, through the day will be games for the kids.

What summer festival would be complete without a beergarten and bar-b-que? And then to cap things off, a dance which, if it can be arranged, will be outside as well.

There's just one other thing to consider. All of this depends on volunteers, and that's where you come in.

If you think the idea of a family summer festival is a good one and you would like to help by organizing or assisting at one of the activities then please call either Peter Romme at 443-5547 or Greg Rokosh at 445-2874.

Some volunteers are already on board, but many more are needed and needed soon. But even if you can't help organize, please mark the date on your summer calendar, invite friends and family to "c'mon out to Russell", and have a ball!

Russell R.A. appoints

Mr. Jack Garden, assistant to Russell's former Recreation Director Paul Wylie, was selected recently to fill the new post as Russell's Recreation Facilities Manager. The position of Recreation Director has been eliminated.

According to Recreation Association Chairman Baird McNeil, maintenance and operation of Russell's recreational facilities, principally the Dr. Kinnaird Community Centre building, is the major responsibility facing Mr. Garden and his staff.

This means that responsibility for introduction and development of specific recreational programs is in the hands of the citizens of

Russell — aided by the R.A. Committee and the staff.

The R.A. has also appointed volunteer chairman Mr. Martin Reichert to head the new R.A. Parks Committee.

Playground program planned

by Mary Donnelly

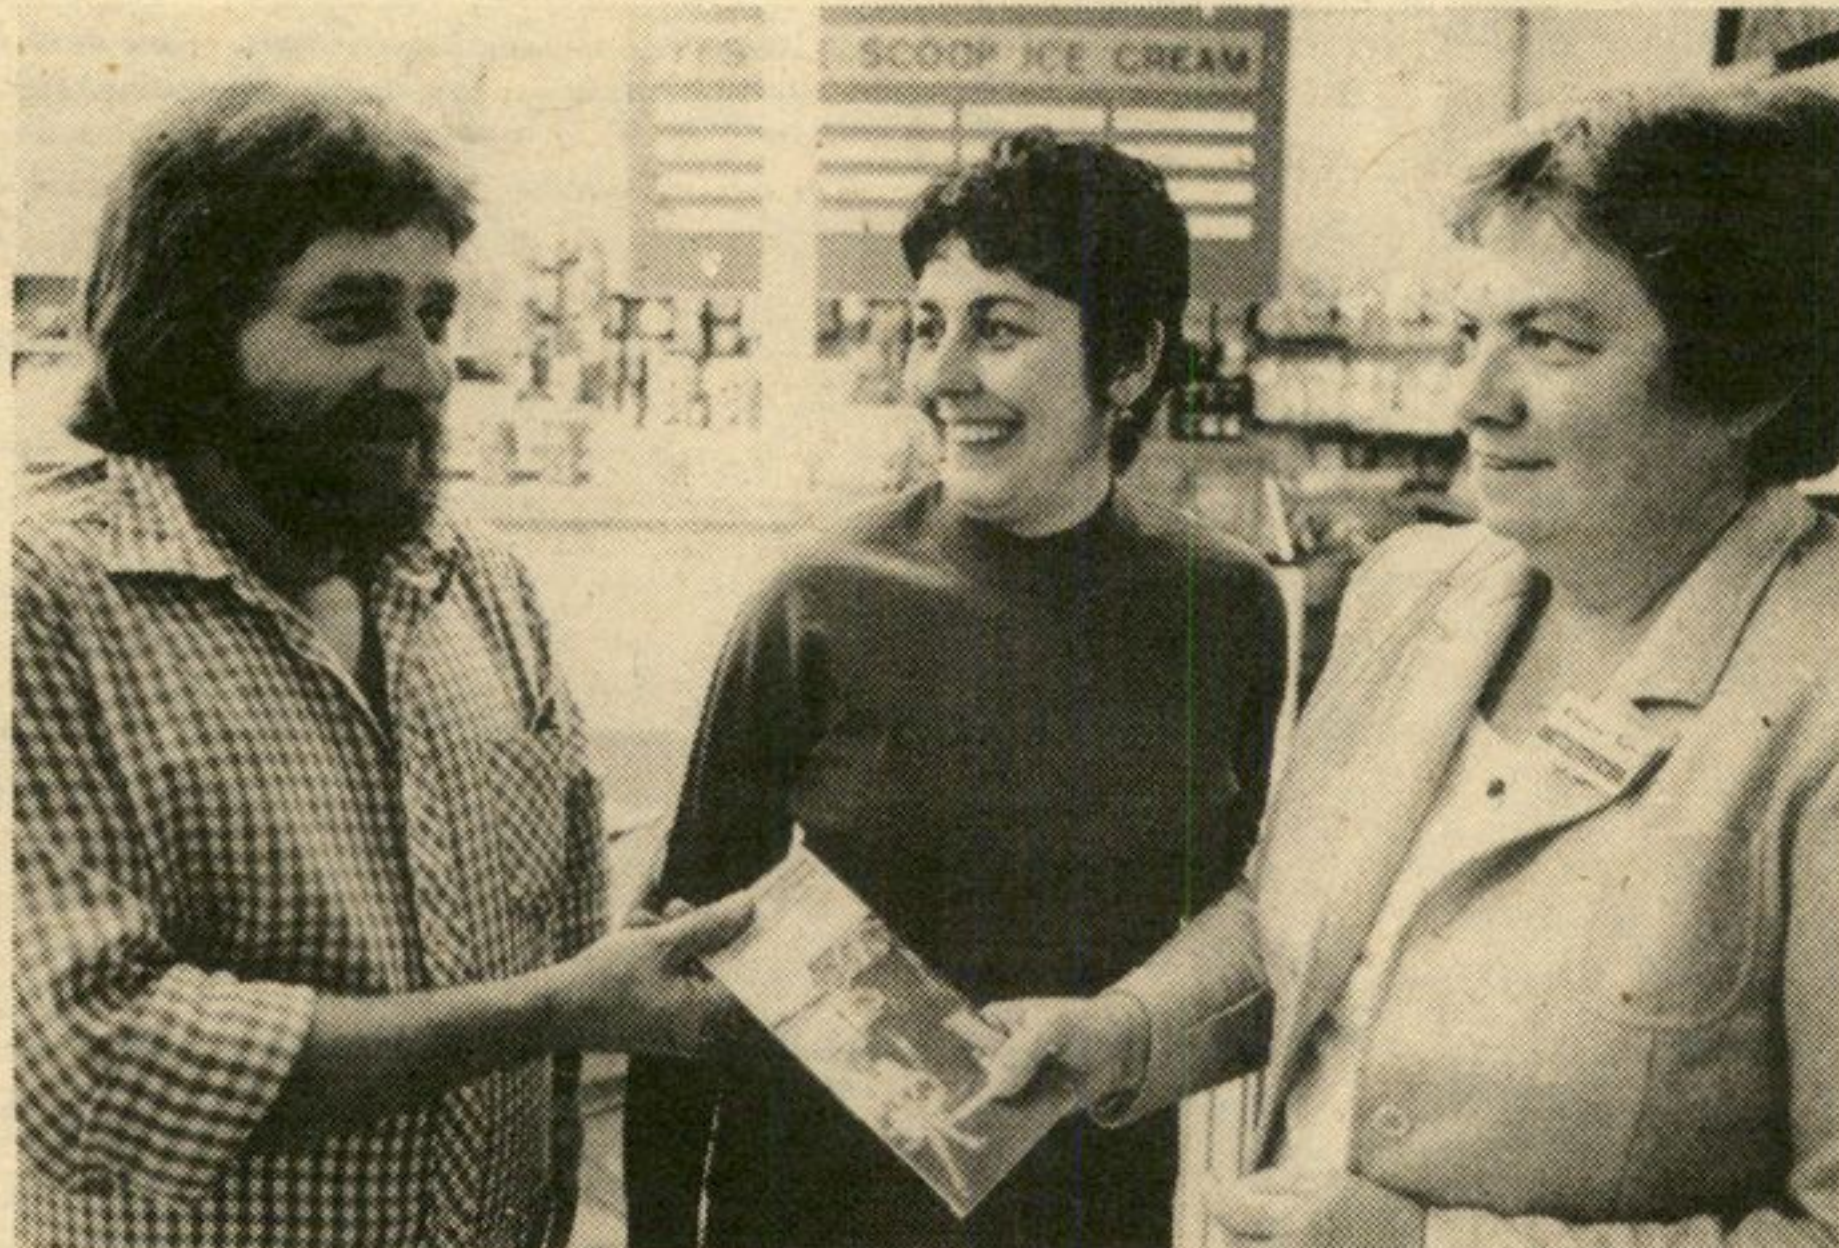

Russell will have a playground program for children ages 2 1/2 to 12. Organizers hope to make this year's playground a beehive of activity including crafts, games and sports. The playground program will run from July 5 to August 10 at the Dr. Kinnaird Community Centre.

Activities for pre-schoolers will take place Monday to Thursday mornings from 9:30 to 11:30, while activities for school age children will take place Monday to Thursday from 1 p.m. to 3 p.m. Friday mornings will be set aside for special outings.

Grant funding from Ontario Ministry of Culture and Recreation will help to pay the salaries of two leaders who will be hired from the community. A registration fee of \$5.00 a week or \$20.00 for the five weeks will be charged. Parents may opt out of the program for the inconvenient weeks.

All parents who may be interested in enrolling their children should contact Mary Donnelly 445-3232 or speak to one of the program's organizers Suzanne Schroeter, Valeries Hanson and Shirley Arnold.

More details on the program itself will follow in the next *Castor Review*.

Russell's Gaye Ford won the Maria Bianca's free trip to Quebec City. Marilyn Sullivan (far right) of Winchester Tours presents Gaye with his ticket for a weekend-for-two while Diane Santilli oversees the presentation.
