**MASSIVE LOGS** — Timber above was felled a few miles south of Metcalfe Village in 1908. The village sawmill could not handle the large logs. They were towed back out of town and split with the aid of dynamite. Fred Latimer (left) and Fred Eakets stand beside the lumber.

**PANA** — The first stop west of Russell village for the old railroad was Pana. Travellers to Ottawa remembered the stops well. The building shown above still stands — it's the Bourignon's home. (Photo courtesy of Clelland and Ruby Hamilton)

Thank you very much — Milk!! The highlight of the June meeting of the Russell Village Women's Institute was having Miss Wendy Hodges, our Russell County Dairy Princess as guest speaker.

As June was dairy month, special emphasis was placed on the importance of milk and dairy products in our daily diet.

Mrs. Judi Hubbard presented her report of the Waterloo Officers Conference and Mrs. Erva Cumming reported on the Russell District Annual Meeting. Members are looking forward to exhibiting entries at the local fairs and Ottawa Exhibition.

In lieu of a regular meeting in July, an historic trip to celebrate the Rideau Canal 150th Anniversary is planned on July 6th with a stopover at Laurier House and the Parliament Buildings.
