

Annuals like portulaca, sweet alyssum and catchfly are suitable for this. Drooping plants are most effective when they hang over the face of a rock.

Fall care will appear in a later issue.

RHUBARB JAM

10 cups washed and sliced rhubarb

1/2 - 3/4 cup water

Cook until tender. Add 1 large pkg. of red or yellow jello powder. Stir. Sweeten to taste by adding 1½ cups sugar. Slice 5 medium sized bananas into stewed rhubarb. Bottle in sterilized containers - cool - and then cover with paraffin wax.

Note: By using a jello powder you can use less sugar.

Variations: Instead of using bananas, strawberries may be used. (Cook rhubarb and strawberries together.) Also pineapple chunks are a nice substitute. If desired, bananas, pineapple and chopped walnuts can be used together to make a very interesting taste for your jam.

*The man who deals in sunshine
Is the man who gets the crowds,
He does a lot more business
Than the man who peddles clouds!*

This is maturity: To be able to stick with a job until it's finished; to be able to bear an injustice without wanting to get even; to be able to carry money without spending it; and to do one's duty without being supervised.

WOMAN DRIVER: A person who, when obeying every rule, is blamed for slowing down some man who isn't.
