appreciated. A sports night at the Russell Public School provided a great deal of entertainment. Our club president, Jerry Smit talked to us about the formation of a 16% dairy ration, and also gave us many pointers on how to do a good demonstration. Our first barn meeting was held at the Baas' farm. In this meeting we judged both cows and calves, and the official placings were given by club leaders, Barry Carscadden and Lois James. Demonstration night came next. All members gave excellent demonstrations with great improvement over those of last year. Assistant agricultural representative Claude Peloquin and Lois James were the official judges. The winners will represent the club at the county competitions in August. Every member of the club is preparing for the county baseball tournament and is leading his or her calf faithfully, getting ready for Achievement Day on the 7th.
