The program included Beginners, Juniors, Intermediates and Senior classes, plus "Mothers and Tots" and Competitive Swimming. The Instructors maintained a high rate of passing students, with an average of 11 out of every 15 students passing their badges.

Three sessions were run, each session lasting 15 lessons or 3 weeks. Competitive swimming had a successful season and we are looking forward to another season next year hopefully with more participants!

Next year the Instructors are hoping to add an Adult "Learn to Swim Class".

Since the pool now has a diving board and guard chair, we are looking forward to a successful season next year.
