

(cont. from page 4.)

Scouter either to handle the Venturers or Scouts. Your only requirement is a willingness to give one evening a week, a part of a weekend sometimes and whole weekend at other times. If you like boys, dogs, wet moccasins, wood smoke, leaky canoes and mosquito bites why not give Scouting a try. Join us, you may even remember it for the rest of your life!

Recipe for the Russell Review

Ingredients :	News	Ink and stencils
	Items of interest	Typewriter
	Upcoming events	Duplicating machine
	Paper	Stapler

Supply news and other items to reporters. Sift through the editor. After preparing a rough draft, feed material through Leila Twiname's typewriter.

Stencils, ink and paper are stirred together for five or six hours in Gestetner machine. Completed pages are piled around the table.

Lift one sheet from each stack in order. Staple and fold. Serves 600.
