Russell Club walked away with most of the county prizes as well. Lorraine Eadie picked up the Ottawa Citizen Award of \$100.00 for accumulating the most points in the county. Jerry Smit was awarded the W. E. Burton Trophy for having the best leadership, sportsmanship and goodwill qualities in the county. The United Counties Award for being the best showman in the county is becoming the "Eadie" Award. However, this year Lorraine's sister Kim proved to be #1. The King Grain and Seed Co. Trophy and the Rolland O. Perras Trophy, the two top prizes for corn projects were won by Cathy and Nicky Heymans respectively. Norma Park received the United Counties Trophy for second place in the gardening section.

The Club executive feels that an excellent year was enjoyed by all, and the support of any prospective members next year, beginning in March would be appreciated.

It is generally felt that such success would not be had without the great amount of time and effort given by our Club leaders, Lois James and Barry Carscadden. Also I would like to thank the "Review" for the coverage that it has given us this year.

Editor's Note: Our pleasure!
