## OTHS NEWS AND SPORTS

The OTHS junior girls lost a two-game total point. They lost to Woodsworth in both ends of the series. In the first game OTHS was beat by Woodsworth 32-16 and in the second game, to win the series we would have had to win by 17. The problem is they lost a close one in our own basketball court by a score of 39-34.

Even though they lost in the semi-finals they had a very good season. They only lost one game and I thought we still have the best basketball team in the Carleton Board of Education.

In other basketball news the OTHS junior boys lost both exhibition games they played. They lost to North Dundas District High School 20-3 and to Cairine Wilson 18-16.
