Farm News & Views

For those people who missed the Annual meeting of the Russell Federation of Agriculture last October some rather dated news.

After a spirited debate it was decided to have, on a trial basis, separate monthly meetings in French and English.

The English meetings are to be held in Russell on a regular basis. Come out and support your Federation.

A four man delegation led by David Wade, represented Russell at the O.F.A. Convention in Hamilton. Gordon Hill was re-elected as President, Peter Hanam defeated F. Wall for first vice-president and Ralph Barrie of Lanark was re-elected as second vice-president.

O.F.A. Delegates, following a lengthy and at times heated discussion, resolved to support the Federal Government in their

attack on inflation and called on all individuals and groups including Marketing Boards to do the same.

Surely this shows the responsibility and also the concern of the farming community, who have for too long been squeezed by inflated input costs and diminishing net returns, and at the same time a worthwhile example to Organized Labour which seems only concerned with finding fault with the program and trying to show why they alone should not be included.

1975 was, on the average a good year for Canadian farmers, of course the cow-calf man knows all about averaging now: if a person stands with one foot on a block of ice and the other on a hot stove the law of averages will show him to be quite comfortable.

Good crops and good markets in 1976.
