Attention Parents

A group of parents wish to obtain play equipment and set up a playground for small children in the swimming pool park area. At present there is not any place to take small children where they can meet and play with other children or where their parents could meet in a casual atmosphere. A playground would provide this, as well as entertaining the children. Community support is essential to this undertaking. If this project interests you, please phone Mrs. R. Carley — 445-5711 or Mrs. L. Rombough — 445-2970 and pledge your support.

Letter To The Editor

Please go to Church on Sunday, if only for a visit. Someday they may carry you in and the Lord may ask who is it?

Count that day lost whose low descending sun views from thy hand no worthy action done. Lost somewhere between sun rise and sun set two golden hours each set with sixty diamond minutes. No reward is offered for they are gone forever. When you hear those angry Russells roar, you will know they are out for blood or gore, but when they score one goal, they're sure to score one more, there'll be a hot time in the old town tonight.

Keep up the good work.
