Vol. 2, No. 9

July 22, 1976

Tuesday, June 29, 1976 saw the last graduation at N.D.D.H.S. at which Russell will be represented. How fitting that Janet Graham should be the Valedictorian. This talented scholar, whose average exceeded 90 percent for the last three years, won, as well as the Valedictorial Plaque, the Ault Award (\$100), the Ontario Scholarship Plaque, the Ault Award (\$100), the Ontario Scholarship Plaque (\$100), the Harold G. Bigelow Science and Math Trophy, the University Women's Club of Cornwall Scholarship (\$150), the Queen's University Scholarship (\$1,200) and the Gold Medal for the highest average in her class. We wish her all the best as she begins studied next year at Queen's.

Reverend Woolfrey celebrates 30 years

Reverend and Mrs. Leonard Woolfrey, well known and loved during their eight years in the Russell Kenmore charge, were recently honored by the two congregations on the occasion of the thirtieth anniversary of his ordination.

At Kenmore, a presentation was made by Mrs. John Ewart assisted by Miss Ann Wood at a special smorgasbord luncheon. Miss Christy McDougall presented lovely roses to Mrs. Woolfrey. Present were Frederick and Janet, the Woolfreys' son and daughter-in-law.

The next Sunday, June 20, was scheduled as the anniversary dinner at Russell. The Woolfreys' were surprised and delighted to find themselves honored on the occasion. A presentation was made by Mrs. Ernie Serton, assisted by Stan Booth. Mrs. Woolfrey received a corsage at this time.

In speaking later with the Woolfreys', it was clear that they were deeply moved by these timely, yet unexpected presentation.

Metcalfe Public School Graduation

100 and some Grade 8 students were honoured by their Principal, Teachers and Families at a very impressive Graduation at Metcalfe District Public on Friday, June 25, 1976. The audience was entertained by several selections by the School Choir under the able direction of Mrs. McIlwaine and accompanied by Miss Laurie Davidson on the piano. The Valedictorian duties were very ably handled by Janet Crerar and the Guest Speaker, Mr. McLean was introduced by Mrs. Carkner, the Vice Principal of Metcalfe Public School. Mr. McLean is the new Principal for

Osgoode District High School. In his address he explained the purpose of all the forms that the students had been required to fill out pertaining to their High School Courses and urged them to give him their full support as they continue their road of Education at the Secondary School level. Diplomas were handed out to all the students by their respective teachers Mr. Hansen, Mr. Bowley and Mr. McIlhagga then the special awards were given. The most impressive award was to Miss Thompson for most improved student. It is nice to see someone honoured for their hard work and effort to improve

their grades. Congradulations of course, must go to all the other award winners. Mr. Hansen, Mr. McElhagga and Mr. Bowley were each presented a trophy as a token of thanks by their respective classes.

Mr. Bowley urged the graduates to strive for the best grades possible and also to be themselves and not follow the crowd just to be accepted. Set your goals high and work to achieve them. A special thanks to Mr. Thomas and all his staff for a graduation which the graduates, I'm sure will long remember.

A Parent

Blame The Printer . . .

The Russell Review arrived in the Printer's hands on regular schedule. From that point on it was all downhill. The electronic Typesetting equipment was in 'sick bay' for a week and is just now back in production again. As they say "we won't let it happen again." Sorry for any inconvenience.
