Russell Calf Club

This year our club is very active with twenty five members. The club executive and leaders planned meeting activities and committees responsible for lunch at each meeting. Our meetings have included an exciting fun night held at Russell Public School gym with club members and leaders participating in sports activities. Our first barn meeting was held at Corry Smit's farm where we judged cows and calves. The next meeting was held at Barry Carscadden's farm

where we also judged cows and listened to a local veterinarian, Dr. Geoff Cochrane talk about mastitis.

Our next meeting will be held on July 12 at which club members will give a speech or demonstration on a topic dealing with agriculture. Other upcoming events include attending an Ottawa Rough Rider football game, a 4-H baseball tournament and our Achievement Day.
