Scout News

Seven Russell Scouts will be attending the Canadian Jamboree "CAN-JAM 77" in Prince Edward Island next July. Fifteen thousand other Canadian Scouts will also be there to share in the fun which will include canoeing, hiking, crafts, skindiving, deep sea fishing and a host of other activities. Meanwhile, back in Russell preparations are being made for winter Scouting. Winter activities will be designed to encourage young Canadians to move outdoors in winter and learn to cope with and enjoy the cold and snow rather than avoiding it indoors. The Scouts also hope to challenge the Guides to at least one day of winter cross-country orienteering, how is that for equal?

Pride didn't get to the top by running with the pack

Times change. Today, you can select your seed corn requirements from any of 18 sources and from more than 200 different varieties. A few years ago, your choice could be counted on the fingers of one hand. So why Pride? The answer is simple. Pride has been around for 25 years. Pride has an intensive research and development program in Canada. And Pride's Canada Certified No. 1 seed is produced in Canada and is available in 15 recommended and proven varieties through 355 specially-selected dealers. Pride is backed by a full management and educational program and comes from a reliable company that markets all kinds of farm seeds. Pride didn't get to the top by doing what everyone else does. Stay ahead of the pack — with Pride.
