## RUSSELL PUBLIC LIBRARY

### NOTICE

Due to increased membership we have been forced to change our library system. As of September 1, 1977 a membership fee of 25c per year will be charged. Members will be required to present their library cards when borrowing books. Anyone with overdue books will have their library privileges withdrawn until the books are returned. In the case of lost or badly damaged books, members will be assessed a replacement fee up to a value of \$10.00 per book. We will be open for two additional hours per week: Wednesday evenings, from 7 p.m. to 9 p.m.

### Playground Repairs

The Parks and Playground Committee wish to thank John Hayward and Bill Rombough for their work on the playground this summer. We had run into difficulty with the swing, the tire tree and the water fountain, however, all are now back in safe working order.

Due to the problems encountered this summer, our committee had decided to delay the proposed playground improvements until early next spring. Anyone having ideas, suggestions or questions on the playground is welcome to call Mrs. Carley at 445-5711.

### Playground News

Well, Playground '77 has drawn to a close after a very successful summer, full of fun and games.

As you probably have already heard, the children and supervisors held a carnival against muscular dystrophy, and in doing so, were able to send a cheque in the amount of \$40.01 to the cause. After the carnival activities were over, a film was shown and everyone then went outside for a sing song around the campfire. Everyone had a super time - young as well as not so young - and I'm sure the playground children will agree

that the many hours of preparation were well spent.

The playground also held a ticket sale in order to raise money for a bus trip to Ottawa. Winners were drawn on August 18, and are as follows: First Prize, G.E. AM-FM Radio, Greg Hudson; Second Prize, \$20, Giselle Ouellette; Third Prize, \$10, Mary Joustra.

Our Ottawa trip was held on August 19, the final day of playground activities, and included a visit to the Parliament Buildings to see the changing of the Guard Ceremony, to Vincent Massey Park for lunch, and to

the Museum of Man for the afternoon.

All in all, we feel that the program was a great success. We all learned more about getting along together, and about our country, Canada. We will be looking forward to seeing an even larger enrolment next summer!

P.S. Good luck at school, kids!
