SIDEWALK TALK — (Continued from Page 1)

LOVE OF NEIGHBOUR ALIVE & WELL

Is there such a thing as a country ethic, a mutual regard for human beings not emulated in the crowded cities? Ask Bobby and Shirley Eldridge. When Bobby's mother died recently, some members of the family suddenly found themselves without formal funeral attire. It was Sunday, stores were closed. However, a frantic call to Embrun resulted in a trip to Latremouille's department store for the suitclothes. Could the same thing happen in the big city?

Swimming Team News

Saturday, August 27th was the last day of the competitive swimming season and Russell was host to Winchester and Prescott in a final swim meet. A team of 25 swimmers put Russell on top with 213 points with Winchester second with 162 and Prescott with 67. The meet ran very smoothly thanks to the help of pool staff, parents and friends and everyone had a good time. The calibre of local swimming is improving every year and today's juniors are going to be tomorrow's unbeatable seniors. Russell Swimmers are also good sports and as well as good athletes. Well done Russell Beavers!

A special note of thanks to all those who have helped as timers, scorers, starters, drivers and yes, even as spectators, it was a good summer.

Although competitive swimming is over for this season don't forget that there will be registration early next summer for the 1978 Beavers.
