PRODUCT OF GENERAL MOTORS OF CANADA LTD

TO THE RATEPAYERS OF THE TOWNSHIP OF OSGOODE

Ladies and Gentlemen:

At the solicitation of a number of the ratepayers of this township I have decided to stand for the position of councillor for the coming year

I am not a stranger in municipal affairs as before coming to this part of the country I served for 25 years in the council of the Township of Pensonby in the Province of Quebec. Most of the time I was mayor or reeve and attended County Council. I was also postmaster and Justice of the Peace. By these means I became familiar with the workings of municipal affairs and formed the habit of keeping in touch with them. To see that municipal funds are made to go as far as possible, and see that value is given therefor is the important part of your representative's job. During the years I acted as foreman on the roads of this township I acquired some knowledge of how money is spent and I know that I can assist in getting value for the money spent.

Another reason why I want to be your representative is to clear my name of the stain put upon it in the recent costly inquiry into this same road building. All this I hope to explain at nomination.

There are various other matters I would like to discuss but I will deal with them during the campaign.

I ask you to give this matter consideration and feel that whatever may be the result, you will do what you think is right.

Wishing you the compliments of the season and respectfully soliciting your vote and influence, I am

Yours &c.

For News commences another year. Fox News and Canadian Silver. The national sporting magazine with its January 1929 issue containing a splendid collection of outdoor hunting and fishing yarns. Notable in a very interesting table of contents is an article from the pen of the well known naturalist Jack Miner strongly condemning the wolf as a destroyer of deer.

Among the other features are a fine western moose hunting story by Roy F. Hubel a sound article on wolf trapping by Raymond Thompson a well known trapping authority. In addition to many other splendid stories and articles on canoe trips shooting and fishing The Silver Fox News section contains among other things a full report of the silver fox show at the Royal Winter Fair.

Sunday night after church

Both the Henderson boys are far away from the old home. But Sunday is still a very special day for Father and Mother, for every Sunday night after church the telephone bell rings and the old folks know that one of the boys is calling them from the distant city.

Harry calls one week, and Fred the next.

Long Distance is wonderful for keeping family ties strong. It is so simple, so inexpensive, to call distant friends for a few minutes' chat. And how welcome is the sound of their voices!

Do you call friends by Long Distance?

The Evening Rate after 8.30 is very low.

"Every Bell Telephone is a Long Distance Station."

Wishing You One and All The Compliments of the Season
