At a meeting of the Oddfellows, held after the service on the 4th instant, the following resolution was unanimously adopted and I was requested to transmit a copy of the same to you:

Moved by W. A. Rawlings, seconded by Jno S. McClelland, that a hearty vote of thanks be tendered to Miss Vanderburgh for the accomplished manner in which she took part in the choice programme of musical exercises provided on the occasion of the anniversary sermon on the evening of May 4."

Yours very truly
