Dear Mr and Mrs Ed Hicks:

LONDON, ONT.,

Nov 13<sup>th</sup>

1936

I am in receipt of yours of Nov. 12<sup>th</sup> containing the program of the sixty-fifth Anniversary of Welland Avenue Church, also the Phot, and the lovely letter enclosed, I appreciate the spirit and kindness that prompted it. At the moment words fail me to express to you my gratitude, for the kind words for my future welfare in striving to make the Churches intrusted to me to decorate attractive and beautiful for the people in which to worship the Giver of every good and perfect gift. The Church is one of the most perfectly constructed buildings I have ever decorated the sweeps and curves are all struck from the same radius, there must have been very great co-operation between the Architect and the builder, Then the Architect in designing the building surely took into account the natural features of the lot being located due North and South, at high noon there is the ~~minimum~~ minimum of shadow which shows the interior to the very best advantage when the sun is shining. In arriving at the coloring care was taken, valuable assistance was given by the Ladies with which your artist was pleased to co-operate. Wishing you and your Church home every success I am sincerely
