Dear Mrs. E. Hicks,

At a meeting of the Sunday School Board, recently held, instructions were given me to extend our thanks to you, in your part in assisting in our Christmas Cantata. We know you have the interest of the School at heart, or you would not have helped as you did.

It is an easy matter to say ' Thank you ' but still, all too often we neglect to do even this.

Gratefully yours,

*A. Lay Crumby* Secy.,
