

## Christmas Greetings

**A** Merry Christmas, here's  
to you!

I'm sure I'm first to say it!

And thankful, too, since you're  
away,

This letter will convey it.

May this best day of all the  
year

Be filled with peace and  
pleasure,

And all the days that are to  
come

Hold gladness without  
measure.
