

Our Thank Offering

\$2000.⁰⁰

For Sunday School Bond Redemption

"The first sod was turned in the early morning of June 14th and on July 25th the corner stone was laid by Dr. Young who was handed a silver trowel by Mr. J. S. Smith. The building was carried on smoothly and was ready for dedication at the beginning of the New Year, 1928.

The above paragraph taken from the Sunday School Building Report presented to the congregation in the year 1928 is reminiscent of years characterized by vision and progress in our church history.

The Bonded Debt then assumed to finance our Sunday School building has steadily diminished from \$30,000, with accompanying lowered interest charges, until to-day it stands at \$8000 and after the current instalment is met there will remain a balance of \$6000.00

Our THANK OFFERING made each year has given tangible expression of gratitude to a bountiful Providence. The gifts so generously made have enabled us to keep faith with those who had the foresight to provide a School building equaled by few churches.

We invite everyone to participate in this Thank offering.

The Committee of Stewards,

W. J. THOMPSON, Chairman.
