

The Smiths Falls Dairy

MILK DISTRIBUTING AND SOFT DRINKS PLANT.

THE SMITHS FALLS DAIRY is among Smiths Falls' most modern business institutions. Originally Clark's Dairy, it was established some 16 years ago, but in 1924 Messrs. R. H. Lowrey and E. McKenney purchased the business and changed the name to **Smiths Falls Dairy**. They operated as a partnership until May 1st, 1930, when their interests were disposed of to a Company, Mr. Lowrey continuing as managing director.
