

Fair (cont'd from pg.2)

come to our fair, so start getting ready. Groom the dog, train that houseplant, watch those green peppers. Enter that afghan you spent so much time making, or those baby booties that everyone says are so adorable. Show the world what we do here. This is our showcase, so brag a bit.

Don't forget the parade in the excitement of planning what you'll exhibit. Make up a family float, dress up that old Massey, make a clown suit and enter as a clown. Remember the theme is "Into the 90's" so rocket ships and far out fantasy could let you use your imagination. Think of the environment and what needs doing in the 90's to save it. Come up with a fuel efficient alternate mode of transportation. Get thinking, its only three weeks away.

As parents we all know how much it means to our children when we take an interest in their activities. Everyone needs to feel that what he or she does is important to the people they love. If Beavers Canada is important to YOUR son, its's good that he knows it's also important to you and that you are interested in what he does and learns at his Beaver Meetings. He will want to share his Beaver experiences with his MOM and DAD. This is a very important reason for parents to be involved and to keep themselves informed about what is happening in the program. We feel that the spirit of sharing should not only prevail between Beavers. As our Motto is Sharing, Sharing, Sharing. As Beavers

and leaders, we want to share with you!

Registration will be held at Milford Town Hall between 6:30 and 8:00 p.m., on **11 September, 1990**. The membership fee will be \$19.30. **Please come and see what we are all about, hope to see you there.**
