

THE MILFORD FAIR

A beautiful day dawned on "the biggest little fair in the County" celebrating, this year, Canada's 125th birthday. The parade was bigger and better than ever and in keeping with the theme, the parade was led by a RCMP officer, in scarlet dress uniform. The flags of Canada, Ontario Province and the County of Prince Edward were duly raised on the new flag pole and the Canadian flag was briefly lowered to halfmast in memory of former residents. Reverend Peter Walford-Davis was the master of ceremonies and this year's Citizens of the Year were Ruth Ackerman, Phyllis Chapman, Murray Head, Emma Lancaster, Irene Magee and Clifford Vancott.

A good time was had by all, there were many more exhibits by township residents than usual, games and races including kite flying a new event this year and vendors had wonderful articles for sale. The crowds were entertained by the Sea Cadet's Band and our old favorite "Grandpa's Good Tyme Band" and in the evening by a fun concert.

This was our Fair and many thanks are due to all the exhibitors and the hard working fair board, as well as the many silent-heroes who worked quietly in the background.

We have one small problem. One section of the flower prize list was not appeared. would anyone whose flowers won a prized in the fair, please contact me, Rita Laramy, at 476-7281. We would like to award the prizes.
