Gem Of The Month - Those who gossip to you, gossip of you.

A gentleman from Milford went to his lawyer and told him "I'd like to make a will but I don't know how to go about it."

"Don't worry," replied his lawyer, "just leave it to me."

"Well, I knew you were going to take the biggest slice", answered the man, "but I'd like to leave a little something to my wife and children too."

Good Idea Tip - If you need to get oil into a hard to reach hole (e.g. machinery, furnace, etc.) insert a thin wire (as vertical as possible) into the oil receptacle, then drip the oil onto the wire and it will run into the hole.

## THE HOME

It need not be a fancy home  
 To please our latest whim;  
 The plainest home is beautiful  
 Where our love dwells within.

Where the family lives together  
 In a warm and caring way  
 And shares each other's burdens  
 Or little joys each day.

Where the children grow up happy  
 Because they know they're loved;  
 Where God is honored in the home  
 And prayers are sent above.

It matters not a mansion  
 Or a cottage that we own;  
 Every home is beautiful  
 Where love's the cornerstone.
