

## Friendship Quilts Made for Homeless

On Thursday, January 25th, the Milford Township Hall was a beehive of activity as the Friendship Circle ladies gathered to make quilts for the homeless. Everyone came with bags of material, sheets, chenille bedspreads, old blankets, and anything that could be sewn together for warmth for quilts.

All the tables in the hall were put to use for laying out tops, bottoms and fillers. Several sewing machines were purring a happy song as the pieces came together.

Further camaraderie was shared by the ladies as they partook of lunch together. By about mid afternoon two generous sized quilts were completely finished and two more just needed the finishing touches. We enjoyed our togetherness in the construction of this worthwhile project and had so much material left over that we are doing it all again on Monday, January 29th.

Any quilts that we make will be given to the homeless street people in one of our Canadian cities. To prove the warmth of our products, we had some of our members demonstrate their usefulness on the streets of Milford.

Anyone who is interested in this project may lend a hand. Just contact any Friendship Circle member for further information.

### SUPPORT 1ST MILFORD SCOUTING

Yes, we are still collecting I.G.A.; Food City; Ultra Mart; and hopefully in the near future A&P Sales Receipts. These stores give us money for the sales receipts. The proceeds are not used for regular operations or regular camps - only large Jamboree Camps that are very expensive both to the boys and parents. Our next Jamboree Camp, that we are aware of is the CANADIAN JAMBOREE IN THUNDER BAY - JULY 1997

The Sales Receipts can be dropped off at the following locations:

**ANN FARWELL LIBRARY IN MILFORD**

**ATHOL TOWNSHIP OFFICE IN CHERRY VALLEY**

**BLACK RIVER CHEESE FACTORY**

**MILFORD POST OFFICE**

**WRIGHT'S DRUGS - PHARMACY DEPT IN PICTON**

**ANY MEMBER OF 1ST MILFORD SCOUTING OR**
