

# Books ON THE Bay

**Yes, it's true!** We've moved to the Bristol Building - our new home is right beside the Blue Willow Café. So the next time you drop in to see us you can have morning coffee, lunch or afternoon tea while you're out and about.

Sam the Store Cat is checking out his new digs (mostly hiding in the office), David is checking out the butter tarts from the Blue Willow and the rest of us are busy receiving the spring orders.

Our Special Order Department (Bob Burns) is now right up front - no more hiding in the back! With our computerized search and retrieval system we can access over 1,200,000 titles - so we should be able to find what you're looking for. Come on in and test us on that hard-to-find title you've been looking for.

And just in time for spring birdwatching, we are holding a 25% Off Sale on National Audubon Society Books! Choose from eleven titles, including Birds East, Wildflowers East and Trees East. This offer is good until May 24, 1997.

A note on the Prince Edward County Authors Festival on Sunday, June 8, 1997 - we're all set! We have twelve wonderful authors lined up for this year's festival: Roy Bonisteel, Marian Fowler, Steven Heighton, Erin Mour., Al Purdy, Ronald Wright, Marsha Boulton, Elizabeth Hay, Stuart McLean, Kent Nussey, Alec Ross and Tim Wynne-Jones. Passes for the festival will be on sale soon at Books on the Bay.

## ATTENTION GARDENERS!

The South Marysburgh Fairboard has already started planning for the Milford Fair 1997! We have decided to run the Pumpkin Decorating Booth again this year. It was extremely popular last year, with the children decorating approximately 40 pumpkins!

This is where you come in. Since Spring has finally arrived, we know you are getting anxious to get out and plant your garden. If you are already planting pumpkins or have extra space, we ask that you consider planting some pumpkins for us. Come August or September, watch your Mirror for a name & number to call for pick-up. Thank you, and Happy Gardening!
