

## *Druella Acantha Malvina Continued.....*

### Some definitions of people who may not be the smartest in the world.

Not the sharpest knife in the drawer  
 Fell out of the family tree  
 He's so dense that light bends around him  
 If brains were taxed, he'd get a rebate  
 It's hard to believe he beat out 100,000 other sperm  
 Some drink from the fountain of knowledge -- he just gargled  
 The wheel is turning but the hamster is dead

I hope you don't think me too young for marriage with your daughter," said the young man anxiously. "That's alright, my boy," was the cheerful reply. "You'll age fast enough!"

### Embarrassing Moments.

More awkward than not remembering faces,  
 To me, is not remembering places -  
 Especially when the place forgot  
 Is where I parked in the parking lot!

## IT'S A HOME

(By A.V. Huotari)

In Your House -

Is there a step that step that squeaks  
 And let's no one pass without notice?  
 Is there a tap that leaks  
 Only when you are trying to sleep?  
 Do you find more clothes strewn on the floor  
 Than are hanging in the closet?  
 Does that certain outside door  
 Stick tight whenever it rains?  
 Is there a favourite window sill  
 That collects everything from dolls to fish hooks?  
 Do you sometimes wonder if you ever will  
 Find things in their rightful places?  
 Do you fuss and fume  
 Over constantly spilled milk?  
 If so, yours isn't a house - it's a HOME!
