With Love From A Lonely Dog

I wish someone would tell me
what it is that I've done wrong;
and why I must be chained outside
and left alone so long.

They seemed so glad to have me
when I came here as a pup,
there were so many things we'd do
while I was growing up.

The Master said he'd train me
as a companion dog and friend,
the Mistress said she'd never fear
to be alone again.

The Children said they'd feed me
and brush me every day
they'd play with me and walk with me
If only I would stay.

But now the Master "hasn't time"
the Mistress says I shed
she won't allow me in the house,
not even to be fed.

The Children never walk me,
they always say, "Not now."
I do wish I could please them -
can someone tell me how?

All I had you see, was love
I wish someone would explain
just why they said they wanted mine
and then left it on a chain.
