### Library Notes - Continued from page 15

as easy as filling a shoebox with items that a child would enjoy, toys, candy, clothing, school supplies, non-perishable food, etc. Last year 3 million shoeboxes went to over 60 countries around the world.

On Tuesday October 3, 2000 @ 7:30 p.m., in the Milford Town Hall, South Marysburgh and Athol Township residents are invited to a short slide and information presentation to further familiarize you with the benefits and joy of this program. On behalf of the Library we are hosting this program and hope we here in THE COUNTY we can help children who might otherwise have a giftless Christmas.

So save those shoeboxes, pick up a few extra children's items when you shop. Watch for flyers, posters in the area and at the library. Hope to see as many as the Town Hall can hold on Oct. 3.

Till next month -  
HAPPY READING.
