## Celebration Chicken

Put a large sheet of tin foil on shallow pan. Lay chicken pieces on tin foil. Mix the following ingredients and pour over chicken

- 1 envelope onion soup mix
- 1/2 cup ketchup
- 1/4 cup brown sugar
- 1/4 cup water

Fold tin foil over chicken and seal edges. Bake at 350 for 1 hour or until done. Finger lickin' good.

**Medical News** - Doctors are using a laser to treat chronic ear infections that don't respond to antibiotics. The procedure takes less than 5 minutes and burns a tiny hole in the eardrum, promoting healing by allowing fluid to drain and air to enter the middle-ear space. The hole, which closes in a few weeks, reduces pressure, relieving the pain almost immediately. (Reader's Digest)

**Household Hint** - Ooops! My pan has some food stuck on and refuses to come off. Put 1 inch of water in it, add a heaping tablespoon of baking soda and 1/3 cup vinegar. Let stand for 5-10 minutes, then wash with detergent and water.
