TRASH BASH 2001

This years Trash Bash is will be held on Saturday, April 28th. It has become one of the biggest roadside cleanup programs in North America. Last year, 133 groups cleaned up 467 kilometers of County Roads.

Get a group together and participate. Help keep South Marysburgh the gem of Prince Edward County. You can register yourself or your group by calling Keith Taylor 476-7408, at Quinte Conservation. Once registered, your group will receive, gloves, plastic bags and written guidance.

You can take the collected debris to the landfill without charge on that day if you are registered, or you can take it to the Picton Fairgrounds where there will be free food and pop, a handwashing station, entertainment and, of course, thanks from local dignitaries.

This is fun, and very satisfying.
