Armed with a songbook of T.V. and movie tunes, I set out to teach myself to play the acoustic guitar. A few months passed, and I was quite pleased with my progress - until the day my wife walked into the room while I was practising. With a puzzled look on her face, she asked me the name of the song I was playing. Surprised that she didn't recognize it, I replied, "Mission: Impossible". "I'm beginning to realize that she said, "but what's the name of the song?"

Carpenter - You really hit those nails like lightning.

Apprentice - Am I that fast?

Carpenter - No you never strike twice in the same spot.

After a quarrel, a man said to his wife, "You know I was a fool when I

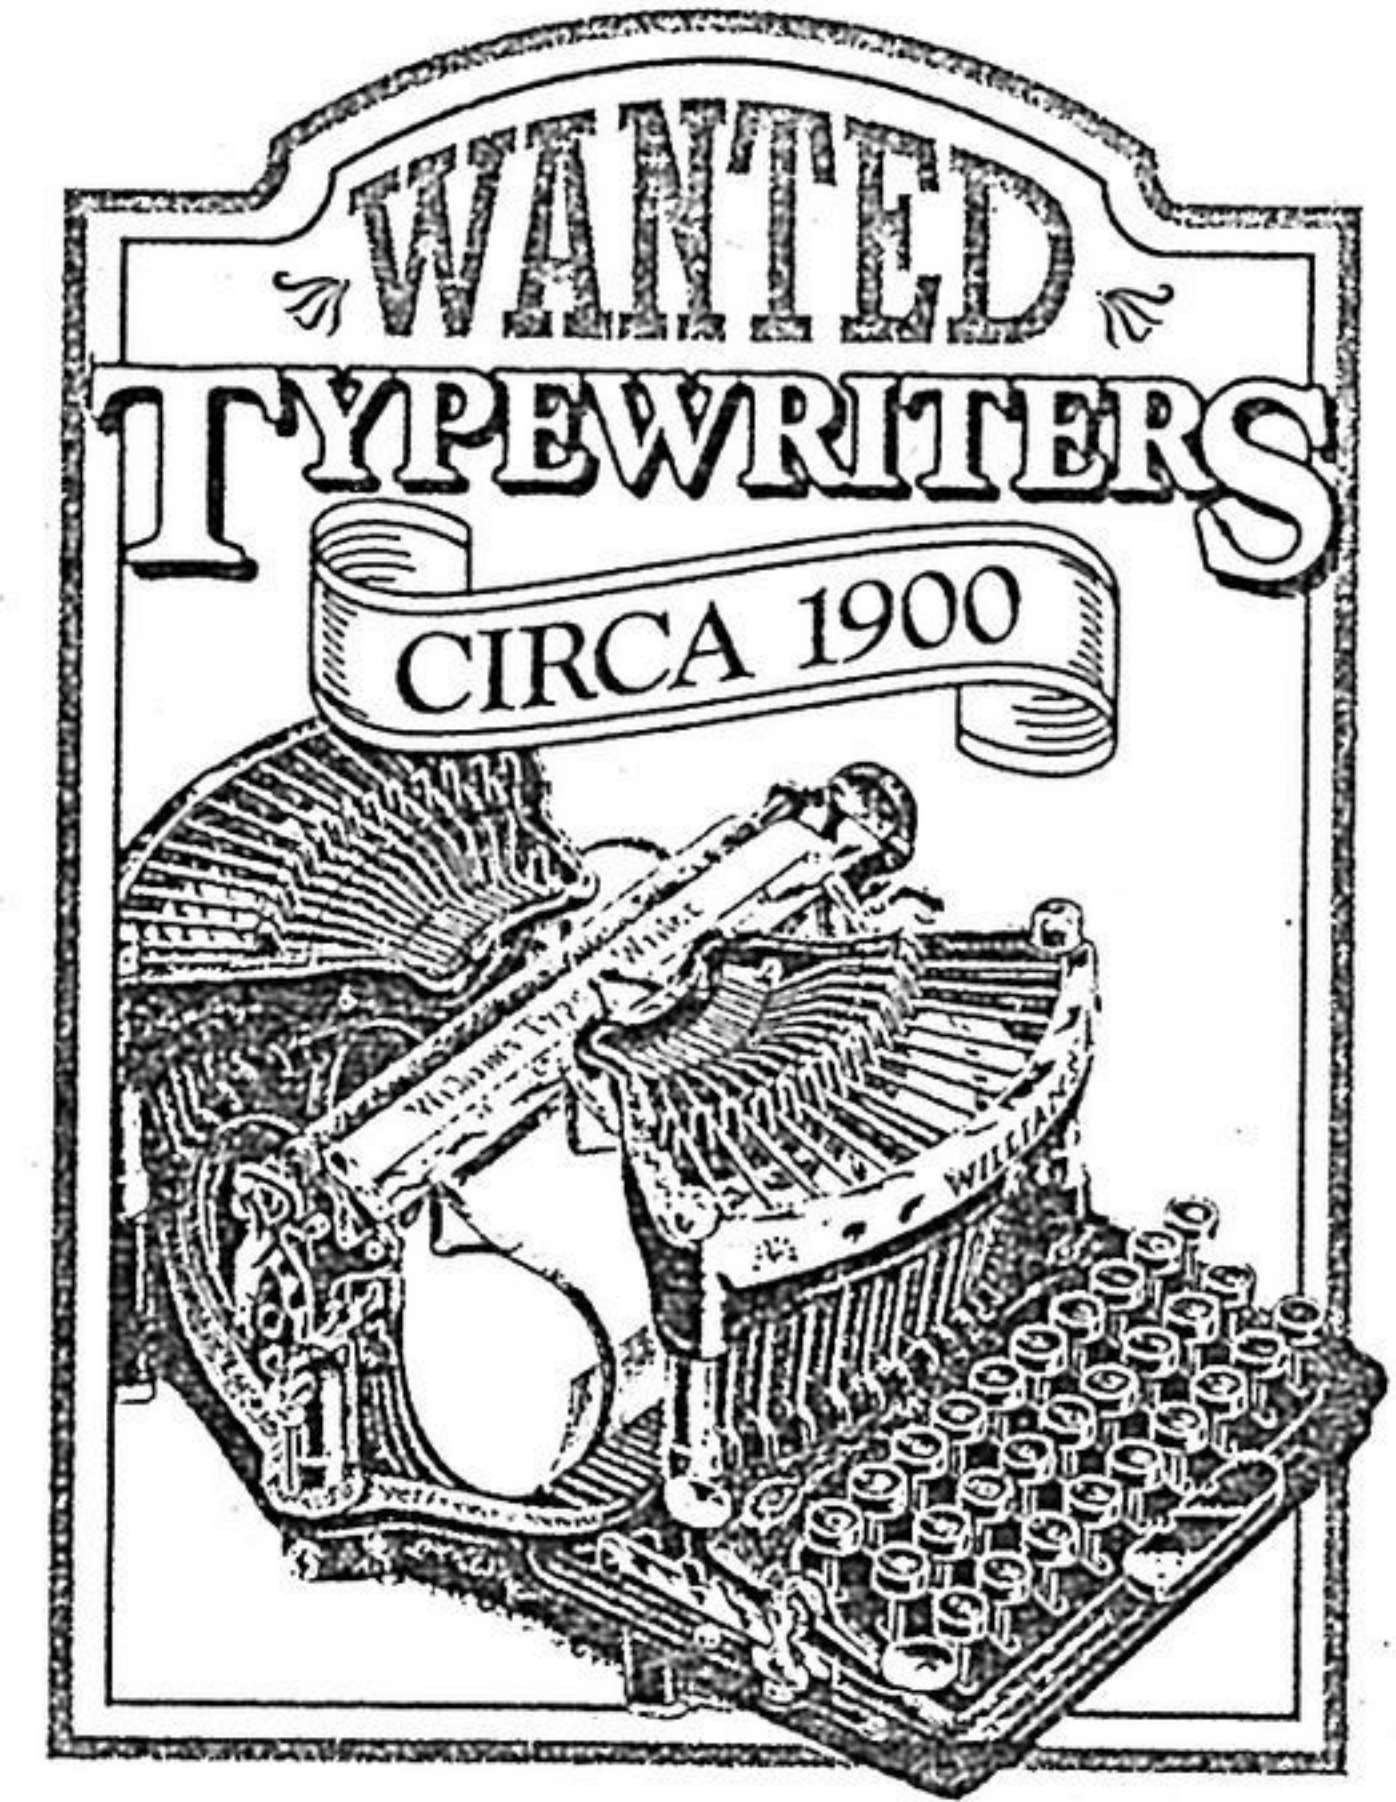

married you." "I know", the wife replied with a smile. "But I was in love and didn't notice it."

Grandpa was repairing the pipes under the kitchen sink. His grandson kept nagging him to make a sound like a frog, but grandpa refused. When the child persisted an hour later, grandpa finally poked his head from under the sink and snapped, "All right, son. But why all the fuss?"

Because Grandma said when you croak, we're all going to Hawaii!"

Doctor - Nurse, how is that little girl doing who swallowed 10 quarters last night?

Nurse - No change yet.
