## Mummers present "The Secret Life of Walter Mitty"

### It's Really No Secret!

The Marysburgh Mummers are at it again! The opening production for this season at the Mount Tabor Playhouse is The Secret Life of Walter Mitty.

This "unscripted" 3-act comedy is based on a story written by James Thurber. It draws on the creative and performing talents of about 40 adults and young County actors, who are working under the direction of Al Hazell to create and perform a script that emerges from their own imaginings.

In the play, Walter Mitty learns early in life to use his daydreams to escape the humdrum of everyday existence. In his adult life, Walter keeps using this mental escape hatch, as the daydreams of youth grow into full-blown fantasies as he "matures". Unlike the movie version, which starred Danny Kaye as an adult Walter Mitty, the Mummers' production features Walter Mitty not only as an adult, but also as a youth, and as a teenager.

## Thank You Community!

On behalf of the teachers and administration of Athol/South Marysburgh School, I would like to say a BIG THANK YOU for the generosity of this community and its participation in our Terry Fox Run held Sept. 21. Many people joined in the walk and so many supported financially. As of "press time", I am delighted to report that we have raised about \$4,100!!!

I would also like to thank those who helped in any way - our parking "guys", our local fire truck, those who helped at the School and others who assisted at the intersections... your willingness is very much appreciated by the School.

Thank you again,

VALENCIA LOGAN
