Gem Of The Month - NO company is far preferable to bad, because we are more apt to catch the vices of others than their virtues, as disease is more contagious than health.

Add 1 tsp. salt
 1/4 tsp. pepper
 1 tsp. sage
 1 cup cornmeal - gradually stir into above mixture and simmer for about 30 minutes, stirring occasionally. Pour into a greased pan and chill until firm. Cut into 1/2 inch slices and fry in hot oil or butter till brown. Turn and brown other side. Serve with syrup, gravy or ketchup.

A local man went to his doctor and told him he wasn't able to do all the things around the house that he used to do. After the examination, he said, "Now, Doc, I can take it. Tell me in plain English what's wrong with me."
 "Well in plain English," the doctor said, "you're just plain lazy."
 "Okay," said the man, "Now give me the medical term so I can tell my wife."
