A new technology for locating intestinal cancer is to send a "Wireless video pill" through the intestine painlessly. For 24 hours it snaps 2 pictures per second, beaming images to a small recorder worn at the waist. The data are downloaded to hospital computers for doctors to analyze. (Reader's Digest)

A very rich 65 year old local man falls in love with a young woman in her 20s and is contemplating a proposal.

"Do you think she'd marry me if I tell her I'm 45?" he asked his friend.

"Your chances are better," said his friend, "if you tell her you're 95".

Life is a grindstone, and whether it grinds a man down or polishes him up depends on the stuff he's made of.

Oh, Lord, help me to keep my big mouth shut  
Until I know what I'm talking about.
