

*Druella Acantha Malvina cont'd***To Have and Too Old**

The bride, white of hair, is stooped over her cane,
 Her faltering footsteps need guiding.
 While down the church aisle, with wan, toothless smile
 The groom in a wheelchair comes riding.
 And who is this elderly couple, you ask?
 You'll find, when you've closely explored it,
 That here is that rare, most conservative pair,
 Who waited till they could afford it.

Household Hint - If you have light surface scratches on your wood furniture, especially walnut or pecan wood, you can cover them easily. Crack open a walnut or pecan and rub the nut meat into the scratches. Do it 2 or 3 times - the oil soaks into the scratches and stains it just enough to cover the nicks. (Thanks to Heloise)

Question - What's the difference between a church bell and a politician

Answer - A church bell peals from the steeple.

Sign on a local plumber's truck - You don't have to sleep with that drip tonight.

Jack walked into his house breathless and exhausted.

"What happened?" his wife asked.

"It's a great idea I had," he gasped, "smiling proudly. "I ran all the way home behind the bus and saved myself 50 cents."

His wife frowned. "That's just like you, Jack, always thinking small," she said, shaking her head disapprovingly, "Why couldn't you have run behind a taxi and saved yourself six dollars?"
