Dinner - Continued from page 1

son will act as MC for the event.

Attendees to this year's dinner are urged to purchase their tickets before March 8th in order to qualify for the Early Bird draw of a framed print. Tickets for the special semi-formal evening are \$60 per person and may be purchased at Marshman Jewellers, from Dinner Committee members, or at either the Picton or Belleville offices of Quinte Conservation. Tickets may be purchased also by credit card over the phone by calling 968-3434. Support of this special 15th Anniversary Dinner will be recognized this year with a \$30 income tax receipt for each ticket purchased. Reserved seating for the dinner is available only until March 29th.

Committee members are excited about the new venue this year and the high quality selection of auction items, stressing it will be a night to remember. Proceeds from this year's dinner will go toward a number of environmental projects in the county including conservation area upgrades.

Donations and prizes are coming in for the 15th Annual Prince Edward County Conservation Dinner to be held at the Waring Hall Conference Room, Picton. Here, Keith Taylor (right), Chairman of the Dinner Committee and Terry Sprague (left), longtime committee member, show off the latest donation of a kayak and paddle from Clear Water Design of Kingston, that will be won by some lucky person attending the event on April 6. Tickets available at Marshman Jewelers, or Quinte Conservation.
