**A Fun-filled Summer  
at the Library**

The calendar is filled with fun events for children during July and August at the County of Prince Edward Public Library

The TD Summer Reading Program, "20,000 Reads Under the Sea," starts right after Canada Day and continues all summer long. After July 1<sup>st</sup>, children are invited to drop into the nearest branch of the library to pick up their poster and the logbook they will need to keep track of their summer reading. They can also collect a new sticker to add to their poster with each library visit.

Special events in July include "Kids in the Castle,"

Space is often limited for these events. Please pre-register to ensure a place. Not all events are available in all branches, so drop in to the library and pick up a calendar. The calendar is also available on the library's website, [www.peclibrary.org](http://www.peclibrary.org). Please watch this newspaper for the special events coming to the library in August.
