Trash Bash Time Again - with a \$50 photo contest!!!

It's that time of year again to register your group for the Prince Edward County Trash Bash. This year the 12th Annual Trash Bash roadside litter clean up will be held Saturday, April 24, 2004 and organizers are hoping to break the record for the numbers of groups and kilometres cleaned. Last year, 162 groups signed up to clean 523 kilometres.

There will be some new features for this year's Trash Bash including a photo contest for the best picture. A \$50 prize will go to the photographer that best captures the spirit of Trash Bash. "This is also a clever way for us to collect more pictures for our web site (www.trashbash.ca) because I never remember to take enough pictures of people picking up litter," said Keith Taylor, Trash Bash Chair.

Trash Bash is also an excellent way for high school students to get their volunteer hours that they need to

graduate. "Any students that are short hours should consider participating in Trash Bash to complete their 40 hour requirement," said Taylor.

For more information or to register call Keith Taylor, Quinte Conservation at 476-7408 or email: info@trashbash.ca.

Great News!

Six of the nine roads in the South Marysburgh area that we listed in last's months Mirror as not being registered for cleanup have now been claimed by volunteers. This leaves only three roads not specifically claimed - Mapul Layn, Crowe's Road, and County Road 10 Milford to Brummel.. Anyone who may be currently doing any of these roads but not reporting it, or wishes to take on a particular road, please call Quinte Conservation, and advise the Environmental Program Manager, Keith Taylor, at 476-7408.

Let's make it a 100% trash bash cleanup in our area!
