SUMMER READING FRIENDS PROGRAM!

We're looking for adult & teen volunteers to help children practice their reading skills this summer.

Using materials from the "TD Summer Reading Program" the child & volunteer will meet once a week in the library branch most convenient for both of them.

Interested volunteers (who must be over 14) may pick up an application form at the library.

Screening, interviews & informal training will be provided.

Parents are encouraged to attend sessions and/or meet the "Reading Friend".

For more information please call or visit your local library branch.
