

THANK YOU COMMUNITY!

We would like to say a warm thank you to this community for the help, support and "giving" that you extend to our school and students.

To the volunteers who assisted at the Terry Fox Run in September where we raised over \$2,500, we thank you sincerely.

Also for the generous financial support we have received from the Milford Fair Board for our Accelerated Reading Program and towards athletic team shirts as well as the wonderful gift of money towards the Accelerated

Reading program by the Milford Community Friendship Circle - THANK YOU!

The Accelerated Reading program is being used in grades 4 - 8 to encourage students to read books for points. Each class is trying to raise 1,000 points by the end of the school year. That will take a tremendous team effort in each class to achieve this kind of goal. And of course, the biggest benefit is that students will develop the habit of reading and hopefully learn to love books...

On behalf of the students and staff at Athol/South Marysburgh School we again say thank you for your tremendous support and we wish you the blessings of the season.

Merry Christmas and a healthy, joy-filled 2005.
