Gem Of The Month - Those who say it can't be done, should get out of the way of those who are doing it.

Hey diddle, diddle, I've a bulge in the middle,
And I hope to whittle it soon.
But eating's such fun, I won't get it done
Till my dish runs away with my spoon.

An optimist goes to the window in the morning and says, "Good morning, God."
A pessimist goes to the window and says, "Good God, morning!"
Looking at the bright side of life will never cause eyestrain.

Who's the Dumb One? Johnny hung out at the corner store with all the other kids. But the other boys teased him, saying he was two bricks shy of a load. To prove it, they'd offer Johnny his choice of a nickel or a dime. Every time Johnny took the nickel. Finally the store owner took Johnny aside one day and said, "Those boys are making fun of you. They think you don't know that a dime is worth more than a nickel, why don't you take the dime?"
With a grin, Johnny replied, "If I took the dime, they'd stop doing it and so far I've made \$20.00."

Do you remember when we used to get our friends to put little verses in our autograph books? Here are a few sayings that were popular.

- (1) I hope you sit on the back of success and rise rapidly.
- (2) I like pumpkin
I like squash
I like You
I do by gosh
- (3) I'm not Joe Penner,
I'm not Mae West
But I'd love to be the one
That you love best
- (4) Down in the Meadow
Carved on a rock
Three little words
Forget me not
- (5) When you were little
And had no sense
You milked a cow
With a monkey wrench
- (6) When you get old
And have no teeth,
Call on me
To chew your beef.
- (7) The higher the mountain
The colder the breeze,
The younger the couple
The tighter they squeeze.
