

Roots and Wings

St. Philip's Anglican Church

After missing last summer it was great to be able to have our Pork and Corn Roast again! It was a beautiful evening and the dinner was sold out! It was our first attempt at a takeout meal and it went very well. Harley's barbecue pork and the local corn-on-the-cob, and new potatoes, the salads and the homemade pies were delicious. It was wonderful to see so many people from our community come out to participate and support our effort. Thank you all!

Although we are unable to have a Yard and Rummage Sale at St. Philip's this fall due to ongoing pandemic restrictions, Sally and Bill

Cowan kindly hosted a yard and rummage sale on their property on Saturday, August 28th. Several families participated and the proceeds will go to St. Philip's.

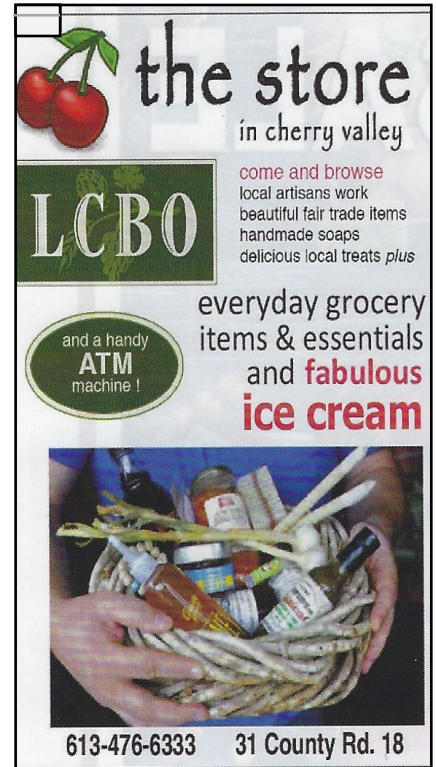

On a sad note, earlier in August we heard of the passing, after a brief illness, of long-time member of St. Philip's church, Bev Walker. Bev started writing and publishing *The South Marysburgh Mirror* and was its editor until she left the county in 2001. She was one of the founders of the Milford Mummies and for quite some time she showed films at Mount Tabor on Friday nights. She was the Chair of our ACW for many years and was a choir member. Bev also helped with the Milford Fair

and we are all very grateful for her tireless support to our community both, at St. Philip's and in South Marysburgh.

Our Outreach Committee is looking forward to inviting a member of our Primate's World Relief and Development Fund to lead a Sunday service at the end of October. We will hear more about the good work they are doing in Canada and abroad. We especially hope to learn more about their work with Indigenous People in Canada.

When restrictions are eased we will resume our potluck supper movie nights and we plan to host some Saturday morning presentations

that will be of interest to the community. We hope you will join us. Please check our website www.stphilipschurch.ca for upcoming services and events.
