

Jamming It for 50+ Years

(Continued from page 9)

\$8 a jar, that would be in the area of making and selling more than 17 jars a day, every day for a year without a break.

A few years ago, Pat decided to retire from the jam business and sold it to a person who took it in a different direction under a new name. But people kept looking to Pat to supply them

with the flavours they had become addicted to... strawberry still the most popular among them but ranging to exotics such as peach amoretto.

So Pat's Jams came back, this time with an expanded name, Pat's Crafts and Jams and in a new location...379 County Road 13, still in South Marysburgh. Along with jams, chutneys and relishes, Pat has turned her hand to handknits. On her shelves is an array of cozy socks, slippers, mitts, hats, and a zoo of stuffed toys all waiting for

forever homes. The open flag is always up at Pat's Crafts and Jams. Stop by and say hello to Pat.
