A dark red wooden shed with a black door. Above the door is a white sign with the words "THE SHED" in black, block letters. The door has a carved face with glowing orange eyes and a jagged, toothy mouth. Two jack-o'-lanterns with carved faces are on either side of the door. A large, gnarled tree with a glowing orange face is on the left, and another tree is on the right. A spiderweb is on the left wall, and a spider is hanging from it. The background is dark with a large orange moon at the top.
