Artists needed for Maple in the County

The Regent Theatre Foundation is inviting County artists to help them expand the appeal of Maple in the County. Of course, this event is about the taste of maple in all its glorious forms - sugar and syrup and taffy, and about the crisp air of early spring and the pleasure of escaping to the outdoors.

Because we believe this event also has a strong visual appeal, the Art at the Regent Committee invites local artists to participate in a Maple in the County exhibit at the Regent Theatre. The show, which will run from February 14 to April 30, is open to all media.

If you have a work that captures any aspect of this event - maple harvesting, county scenes, or abstract works that express the season or the feeling, and would like to display at the Regent Theatre, we need to hear from you.

Let us know by calling the Regent box office (613-476-8416 ext 28) or by directly contacting Mary Leyendeckers, Lori Smith, Jim McMillan, or Doris Lane, the show's organizers.

Help us bring the appeal of line and colour and texture to Maple in the County.
