guarantee that the referee won't throw the game. Although he *will* be able to throw the cow patty if he waits a few days.

**Look for the Boat in the Parade**

We've had just about everything that moves in one of our parades or another, but this may be the first time for a fishing boat. It will be there to honour our South Marysburgh maritime theme, and some of our "men of the lake" may well be there with it. Come and applaud this memento of our maritime history and the men who made it happen – and still do. Better yet, rather than watch the parade, why not join in? There are prizes for different kinds of entries and the list of prizes for this and everything else at the fair should be available in a few days. The parade starts at 11:00 pm from the South Marysburgh School, and we encourage you to get there as soon after 10:00 am as you can to enter.

**We've Added a Troupe of Traveling Performers to the Afternoon's Entertainment**

The entertainment at the Fair is an annual highlight, with so many talented County performers either on the outside stage in the afternoon or on the stage in the "Shed" as after-dinner entertainment. There's more this year. The stage in Mount Tabor will also be in action at 2:30 (after the baby show) and 4:00 pm. The Regent Theatre Young Company will present a half-hour play that's great for the whole family to watch. It's called "Caravan", and it's a
