

# LIBRARY NOTES

Hello Milford! Winter is coming whether we like it or not and what better time to stock up on your favorite authors? We are receiving **new books weekly** and we also have our ever famous bookshelf of suggested reading by staff and patrons.

I would also like to remind you that we have a great interlibrary loan system. This month we are beginning to offer tutorials to patrons who wish to place their own interlibrary loan orders. Call Lucas at (613)476-5962 to book your tutorial.

I want to thank everyone that made Ontario Public Library Week a success this year in Milford. As ever we entertained class visits and our many patrons. All of the people who passed through this week seemed to make a point of expressing their gratitude for the library services that we offer.
