

Library Notes - Cont'd from page 16

eration really exemplifies the spirit of the Friends. So please mark your calendar for the "New Friends Open House" on Thursday, September 11th from 7 to 9pm, and don't have dessert that night - we'll be serving tea and cookies! Hope to see you soon in the library,
- Christine

P.S. If anyone is interested in books on audio cassette tape for only .25 cents each, please drop by the Milford branch. We have weeded quite a few of these from the collection because they weren't being checked out and we needed the space. Come have a look. There is a wide selection and all proceeds, of course, go to the library.
